

Your reference
in real estate management

Join
the largest
commercial real
estate community
in QUEBEC

**BOMA
Québec**
it's :

- 400 members
- 265 companies
- 85 volunteers
- ± 26 events / yr
- 11 committees
- 1 North American network

Who are our members?

The value of our association resides in the wide range of companies and the collective business acumen it brings together.

- Commercial, institutional, industrial and mixed-use building owners and managers
- Real estate investors
- Asset managers
- Facility managers
- Building operations managers
- Product and service suppliers for commercial, industrial, and mixed-use properties
- Industry consultants (engineers, architects, surveyors, and real estate brokers)

Where and when to meet them?

- Christmas festivities
- Golf tournaments
- BOMA BEST® certification events
- Cocktails
- BOMA Awards Gala (organised every two years to recognize excellence in real estate management)
- BOMEX® (BOMA Canada's national conference and exhibition)
- And many other opportunities

Among the services offered...

BOMA BEST® A flexible environmental certification program for existing buildings and sustainable workplaces, that is adapted to the reality of different clientele.

RPA, FMA, SMA... Some of the courses leading to professional designations from the Building Owners and Managers Institute (BOMI) are offered at our offices.

STANDARD METHODS OF MEASUREMENT

The leader in floor measurement standards for nearly 100 years! Created by BOMA International, they provide a methodology for measuring both occupant space as well as the space that benefits all occupants.

TRAINING*

- Annual technical symposium
- Breakfast and lunch and learn conferences
- Workshops
- Roundtables

* Earn continuing education units (CEU) for certain events

All that is missing is you!
