The reference in real estate management

PARTNERSHIP PLAN

2021- 2022

PREAMBLE

» WHY BECOME A BOMA QUEBEC PARTNER ?

BOMA Quebec is the largest association of commercial property owners and managers in Quebec, representing more than 50 million square feet of commercial surfaces, the majority of which are Class A buildings.

With over 400 members, 25% of whom work on a volunteer basis on our 15 committees, BOMA Quebec is a step ahead of other players in the milieu, and is renowned as the most active and dynamic association in the real estate industry. A key figure in the industry since 1927, over the years it has become an essential force in the real estate sector in Quebec due to its proactive role regarding major issues, its innovative approach to the energy and environmental performance of buildings through its BOMA BEST® environmental certification program, and its standard method of measuring office space floor area.

By becoming a partner or sponsor, no matter what the category or the occasion, you will be in contact with major suppliers who provide professional, maintenance, security, construction and leasing and development services in the commercial real estate sector.

Our program of partnerships and sponsorships is designed to respond to the needs of firms wishing to establish links with our sector while participating in its growth and development. It also offers the flexibility necessary to adapt to your particular context.

**BOMA QUEBEC IS
YOUR REFERENCE FOR
